

## Job Profile

Job Title: **Collections & Customer Support Officer**  
Company: **UK Credit Ltd**  
Location: **Norwich**  
Reports to: **Collections Team Leader**

### Main Purpose of Job

You will be a flexible, dynamic, innovative, forward-thinking and focus driven Collections & Customer Support Officer, who is ambitious, resilient with a proven ability to deliver excellent customer service within a regulated environment.

This role is responsible for all aspects of debt collection – general needs and former arrears. There is an opportunity to become involved in the arrears recovery process from beginning to end, whilst working within a demanding and rewarding customer service environment.

The aim will be to improve the overall portfolio & payment performance, through the effective use of arrears management treatments and techniques, by supporting and guiding the customer to help bring their loan payments up to date.

You must be a strong communicator, both by telephone and in writing, with a high level of attention to detail and enjoy working in a fast paced team.

### Primary Responsibilities

- Be responsible for UK Credit customers from the moment arrears are first accrued, through to bringing accounts up to date, or instigating litigation
- Proactively contact customers to discuss current arrears, including the effective use of outbound telephone calls, letters, emails and SMS to garner contact with the customer
- Respond to various types of incoming customer contact, including telephone calls, emails and letters, and to respond to that contact within agreed service standards
- Negotiate specific treatments for customers and to ensure the type of treatment negotiated is relevant to the severity of each customer's arrears on an individual basis, including amongst others, the use of promises and arrangements
- Meet pre-set role objectives, including a variety of individual, team and department performance measures
- Meet specific performance and roll-rate objectives
- Follow documented best-practice processes throughout all work which is undertaken, and across all arrears severity types
- Meet all pertinent regulatory requirements (CCA, DPA, ML, TCF, Legal etc), and to understand and fully adhere to both your own responsibility and commitment as an individual, and the company's, fully compliant activity
- Conduct one-off pieces of work at the request of line management
- Liaise with 3<sup>rd</sup> parties throughout the arrears management process, these may be acting on the customer's behalf to negotiate an acceptable treatment, or our own behalf throughout the litigation process. The above attributes will help you with the day to day job but to really succeed and develop, you will be enthusiastic, hard-working and self-motivated.
